7th-12th gr.: If you receive a note in your locker telling you to stay for the After School ICU, make sure that you read it carefully and stay after school as directed; otherwise, you will most likely have in-school suspension.

Each HS class can start thinking about scheduling a meal at city hall as a fund raiser for **After-prom**. Each class in the past has scheduled a Sunday dinner with the proceeds going to after prom. The after-prom committee will again be giving out better prizes to those kids who participated in more fund raising activities. You may schedule your meal with the city office.

Thank you, Sandy Baumberger

Picture retakes will be Oct 16th! If you want your pictures retaken bring the whole packet back to Mrs. Hoff
